

Beings...we need beings! One professional volunteer opportunity is available with Take Me to Truth, Inc. Please ask for guidance to know if you are led to use your skills, experience, and knowledge to serve Jesus to extend the deeper teachings of *A Course In Miracles* through Take Me to Truth, Inc.

When you accept an assignment from Jesus and work closely with Nouk, Coreen, Daniel and the team of professional volunteers at TMTT, blessings and miracles abound! The beautiful energy emerging from practicing the Seven Keys (of authentic relating) with each other certainly helps accelerate our journey.

If you are guided to assist, please get in touch with [sandy.newell@takemetotruth.org](mailto:sandy.newell@takemetotruth.org)

With gratitude and Love.

All is well in the Kingdom of God!
